Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book.

THE EQUESTRIAN CANADA STATEMENT OF PRINCIPLES

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to:

- Upholding the welfare of the horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers and exhibitors or their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of the horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

FREESTYLE (See EC Rules, Article E Chapter 10)

DPEI Presents Freestyle Challenge (Sunday)

We are offering an open Freestyle Class on Sunday available to all rider divisions, Gold or Bronze, with recognition for all entrants. Bronze competitors do not require a minimum technical score to enter. The Freestyle Challenge is a stand-alone division, freestyle scores do not count toward any other awards (division champions, high point, etc).

11. A horse/rider combination may compete in a maximum of two consecutive EC freestyle levels per day. These must correspond to the technical levels at which the horse/rider combination are competing on the same day (E10.6.4). Riders wishing to compete in Freestyle classes are asked to consult the current EC Dressage Rules for class requirements.
12. **Freestyle Eligibility** -- Freestyle eligibility for athletes in Gold and Silver competitions (all EC levels and FEI freestyle levels): A horse/rider combination must have obtained the following prior to competing in a freestyle: a minimum score of 60% in a dressage test at the same technical level, or higher, as the freestyle they wish to enter (e.g. 60% in First or Second Level to compete in the First and/or Second Level Freestyle). The dressage score may have been obtained at an EC Gold/Silver dressage competition prior to the competition or may be obtained at the same competition in which they wish to enter the freestyle.
13. Competitors wishing to compete in the Freestyle classes must deposit a flash drive (jump drive) with their music with the Competition Secretary at least 2 hours prior to the beginning of the class. Competitors who wish to arrange for their own music to be played are asked to inform the Competition Secretary upon registration. The Competition Committee does not accept responsibility for problems arising through the playing of the music. An opportunity for each competitor to play their music prior to show time will be arranged on each day of the show.

REFUND POLICY

14. After closing date, refunds of 50% of entry fees (not including Show Organization fee) will be awarded with veterinarian's certificate. There are no refunds after the start of the competition. Horse substitution is allowed.

COMPETITION GUIDELINES

15. Per Article A801, "Every entry at an EC-sanctioned competition shall constitute an agreement by the person(s) responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider, and horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, imposed by the competition. Do not participate in this EC-sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition."

16. The Rules of the EC recognize 3 categories of competitors (EC Article E 3.4):

CLASS CATEGORY	ELIGIBILITY TO COMPETE
Open (O)	All competitors (regardless of age and/or amateur/professional status)
Adult Amateur (AA)	All athletes who are no longer Juniors under rule 3.4.3 (except as outlined in 3.4.2) individual Canadian competitors (see 3.4.2 – Amateur Status)
Junior (JR)	Open to all athletes until the end of the calendar year in which they reach the age of 18.

The **Amateur** category is for athletes over the age of 18 who are not earning remuneration from teaching or training horses or riders in the horse industry.

- Competitors in FEI-sanctioned competitions must comply with the FEI definition of amateur.
- All persons wishing EC amateur status must complete and sign the amateur declaration, which is on the sport licence application/renewal form, affirming their eligibility (EC E 3.4.2).

17. MASTERS TEST OF CHOICE (Section E, Chapter 14)

The Masters Test of Choice is an Equestrian Canada (EC) dressage class that provides senior riders, 60 years and older, the opportunity to participate in a dressage class that is exclusively their own in an environment that provides a fair playing field for senior riders wherein each will compete against their peers at all levels of skill, from beginners to advanced.

DETAILS:

1. Masters classes are open to riders 60 years of age and above.
2. Any EC sanctioned dressage competition may offer the Masters Test of Choice.
3. The class will be offered as a Miscellaneous Test of Choice class as per the EC Rules, Section A: General Regulations, A503 and will include all levels, national to FEI.
4. In the event of a large number of entries, the class may be divided into two – lower and upper dressage levels – with separate sets of ribbons.
5. The class will be included in the competition prize list with the appropriate entry fee.
6. The class will feature one test per day and may have a class championship.
7. Scores from Masters classes will not count towards EC championships or awards programs.
8. Masters riders may also compete in non-Masters dressage classes.

9. To facilitate ease of riding, the following accommodations are available in the Masters Test of Choice:
- a) Rising trot is optional in all trot work.
 - b) Callers/riders may use headsets (someone, e.g., a competition appointed supervisor (E.4.9.A.8. Exception) only, may stand beside the caller to ensure no coaching takes place).
 - c) Entry bell/whistle can have a secondary indicator (e.g., the caller can raise an arm once the bell rings).
 - d) Use of voice
 - e) Equipment accommodations may include any or all of the following:
 - i. Looped reins;
 - ii. Converters on double bridle to create single rein;
 - iii. Gel or fluffy seat covers; and/or,
 - iv. Two whips.
10. Judges for the Masters Test of Choice must be EC certified Dressage Judges at the Basic, Medium or Senior level.

18. Eligible riders may enter **two categories** at each level (see E7.1.4). For example, if eligible, a rider could compete in the EC First level in both Junior and Open categories. Further, the rider is not required to perform both tests. The rider can choose to ride one test and, upon payment of the appropriate fee, have the score considered for the other category. Riders may apply this to each of two levels, thereby being eligible to ride a maximum of four tests at any given competition.
19. A horse/rider combination may compete in any **two consecutive levels** and a maximum of four tests per day, for Introductory, Training and First levels, and three tests per day for Second, Third and Fourth levels and all FEI tests. For further details, see Article E 7.11.9.
20. More than one athlete may compete on the same horse, but the horse may not compete against itself and may not compete in more than four tests or rides per day if the tests are First level or below or three tests per day at the Second level or above.
21. All tests can be found on the Equestrian Canada website.
22. The total length of the whip (including lash) must not exceed 120 cm. Whips for ponies must not exceed 100 cm in length including lash.
23. A tack check by the official Steward will be done immediately AFTER the rider leaves the ring. It is the rider's responsibility to report to the Steward. Failure to report will result in elimination. At EC competitions, all riders are required to wear approved protective headgear at all times when mounted.
24. **Ride times** will be available on Dressage PEI Facebook and website (dressagepei.ca) and posted at the stable.
- Tentative schedule: First class to start at 8:30 a.m. on Saturday and 8 a.m. on Sunday.**
25. **Ribbons** will be handed out after each class is complete.
26. **Drug Policy – Equine:** Any horse entered in any class at a competition subject to the requirement to pay drug testing fees may, while on the competition grounds and on the recommendation of the chair of the EC Equine Medication Control Committee or the chair's appointee, be selected for equine medication control testing. Drug testing fee for Bronze competitors is \$4.00 while drug testing fee for Gold competitors is \$8.00.
27. **Lunging (mounted)** is not permitted under penalty of elimination. Lunging will not be permitted in the warm-up ring if another rider is present. (See Section E7.11.12) Riders in the warm-up ring are asked to pass left to left and to maintain a respectful (1.5m) distance from other riders.
28. Entries will not be allowed to leave and return to the show grounds during the competition.

29. **Coaches:** When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments.

 - (a) to waive all claims that I have or may have in the future against the "Host";
 - (b) to release and forever discharge the "Host" from all liability for any personal injury, death, property damage, or loss resulting from my participation in the equine activity due to any cause, including but not limited to negligence (failure to use such care as a reasonably prudent and careful person would use under similar circumstances), breach of any duty imposed by law, breach of contract or mistake or error in judgment of the "Host"; and
 - (c) to be liable for and to hold harmless and indemnify the "Host" from all actions, proceedings, claims, damages, costs demands, including court costs and costs on a solicitor and own client basis, and liabilities of whatsoever nature or kind arising out of or in any way connected with my participation in "Equine Activities".
